President's Message

Awards Dinner - Thanks to everyone who came out for the awards dinner. A special thanks to Esther Smith and Mike Jerger for scheduling, planning, and setup. Another great job! We know the flu

got some of you so we hope you are feeling better.

Young Eagles Preparations - Please plan to join us on Thursday, March 7th at the MLAA Hangar for a special Young Eagle Preparation Meeting. I've sent out an electronic survey for the pilots and I'm getting responses back now. I'll be sending another just for ground support.

Basically, we want to know what we're doing right, what we're doing wrong, or what we need to tweak to improve.

I've also set up with a free online registration service that I'll be demonstrating at the meeting.

Please come share your ideas with us.

Meadow Lake Airport - Look for updates to construction going on at the airport in upcoming newsletters or on our website or the MLAA website at

<http://meadowlakeairport.com>.

Meeting –Weather should be good on Saturday so please come out for breakfast and then join us at Jay Brinkmeyer's hangar. We need to be out of the MLAA Hangar by 10:00 AM so that High Flights can start their meeting.

About Our Chapter

EAA Chapter 72 meets at Meadow Lake Airport. **Meetings start at 6:30 PM on the 3rd Tuesday of each month** with a Chapter cookout the following Saturday most of the warm months April—November. Look for the calendar of events to highlight special chapter events like Young Eagle Rallies, fly-outs, and all other chapter sponsored activities.

The Chapter Newsletter is published monthly, normally mailed and available on the website a few days before each meeting. Readers are encouraged to contribute articles, photos, etc. by submitting them to the Newsletter Editor in hard copy — email, pen/paper, as long as it's not verbal—by the first Saturday of each month.

Annual membership is \$20. Send to Sandy Martin, at 7505 Mallard Drive, Peyton, CO 80831 and start receiving the newsletter each month, attending the meetings and having a great time with sport aviation.
