**MARK YOUR
Saturday, May 24th
CALENDAR!**

Yes, it's on! "EAA Chapter 72" We're still working on the event name.

Weather permitting this will be a big day for the airport and we want to put our best foot forward. We would like to have a large variety of aircraft on static display for the public to enjoy and possibly a parade of air craft as well. The chapter will be selling concessions as a fund raiser for the chapter. Admission

and parking for the public will be free and hopefully this will entice more people to come enjoy the day. We can demonstrate what an incredible asset this airport is to the county and the local communities.

We want this to be a fun enjoyable and very safe day so mark your calendars and plan to attend.

President's Message

Meeting—Guess who's anniversary it is? That's right, it's EAA Chapter 72's 52nd Anniversary this month! And to celebrate Mike and Esther are again planning a big ol spaghetti dinner for us with all the trimmings. Yumm!

In addition to the Spaghetti Dinner, this Anniversary Month **this is also the month that we change back to evening meetings.**

So make sure that you mark your calendars for the 18th at 6:30 PM.

If you show up on Saturday you will be just in time to help out with the Young Eagles Flights. Yes, Saturday the 22nd is our first Young Eagles Program for the year and we already have quite a few young prospective pilots signed up. So come load up on spaghetti Tuesday evening and be ready to help out on Saturday.

I have been discussing an idea that Sandy wanted to do last year but we just ran out of time. So far everybody that I have visited with thinks that this would be a fun and worthwhile event.

The idea is to assemble all of your excess parts and display them for sale at your hanger. Open your hanger doors and anybody looking for parts could know by your open door that you have parts for sale. Everybody is always looking for something it seems and you or they may just find it on this weekend.

We have not set a date yet but keep an eye on the newsletter for information for this and many other events planned for this year.

See Ya Tuesday!

Webinar

A seminar conducted over the Internet.

As a follow up to our last meeting you might want to checkout the EAA Webinar entitled "Advanced iPad Flying" on Thursday, Mar 12 at 6 PM MDT at <http://www.eaa.org/webinars/>.

"EAA offers a regular series of webinars to its members. These live multimedia presentations are informative and interactive, allowing the presenter to use slides and audio, while audience members can ask questions, chat, or be polled for their opinion."

If you miss the live presentation, you will be able to view it in the EAA Webinar archive.

About Our Chapter

EAA Chapter 72 meets at Meadow Lake Airport. **Meetings start at 6:30 PM on the 3rd Tuesday of each month** with a Chapter cookout the following Saturday most of the warm months April—November. Look for the calendar of events to highlight special chapter events like Young Eagle Rallies, fly-outs, and all other chapter sponsored activities.

The Chapter Newsletter is published monthly, normally mailed and available on the website a few days before each meeting. Readers are encouraged to contribute articles, photos, etc. by submitting them to the Newsletter Editor in hard copy — email, pen/paper, as long as it's not verbal—by the first Saturday of each month.

Annual membership is \$20. Send to Sandy Martin, at 7505 Mallard Drive, Peyton, CO 80831 and start receiving the newsletter each month, attending the meetings and having a great time with sport aviation.
